WHO WE ARE

The Keller Theatre is a social hub for all theatre lovers and fans of the English language. The professional amateurs are known for their handmade, sophisticated theatre and welcoming atmosphere.

Did you know that Germany's oldest English-language theatre is located in Gießen? The Keller Theatre was founded in 1958 by the US Army as part of their entertainment branch and has since passed into the hands of the friends of the Keller Theatre e.V..

Everyone is welcome to join us in our community theatre and help us to keep the tradition alive by bringing new energy and inspiration into the "Keller Family".

After being separated from her twin brother Sebastian, Viola disguises herself as a young man and enters the service of Duke Orsino—only to fall in love with him. Orsino, however, is hopelessly devoted to Countess Olivia and sends Viola to woo her on his behalf, unaware that Olivia soon falls for Viola instead.

Join us for a whirlwind ride through love, parties, and delightful confusion, all set to the jazzy rhythms of the Roaring Twenties in one of Shakespeare's most beloved comedies.

Ali has left the madness of mainstream education to pursue a more peaceful career as a private tutor. However, when Danny, a young man with ADHD left behind by the system, enlists her help to pass his adult GCSE's, she is dragged back into a world of stress and scrutiny, as it appears Danny is one of her ex-students who she had a hand in expelling. Now Danny wants Ali to take accountability for her failings as a teacher. But Ali wants Danny to take accountability for his actions as a student. Can a compromise be reached before either hit breaking point...

The last four surviving members of the Little Grimly Amateur Dramatics Society, faced with audiences even smaller than their membership and the prospect of having to close the club down, decide that desperate times call for desperate measures. They realise that there is only one thing that is guaranteed to get bums on seats – Sex. But are they really prepared to sacrifice what little artistic integrity they have left? Can they unscramble the script and learn their lines before the hungry hoards descend? A double bill of 2 One Act plays follows our hapless thespians as they struggle to rescue dramatic defeat from the jaws of theatrical triumph.
